City Manager's **Friday Newsletter**

National Night Out

On Tuesday, August 4th, the City of Snohomish once again hosted a well-attended National Night Out. This year's event had twice the number of booths as last year, and one added attraction – the Dunk Tank!

Children ages 13 and under put their pitching skills to the test, attempting to de-throne the volunteers from the Fire District and Police Department, including our very own Police Chief, John Turner. Thanks to all of you who took a dip for the cause.

Some of our special visitors included Snohomish County Sheriff, John Lovick, who said he was sorely disappointed that he forgot to bring his swim trunks, and the National Night Out Knight, who was gladly walking around and shaking hands with the public (and wishing he too had brought swim shorts for the dunk tank).

Washington State Patrol Trooper, Lance Ramsey, brought one of the State's new, state-of-the-art patrol cars, and the Snohomish County Fire District performed a demonstration with the Jaws of Life, simulating the removal of a car crash victim from an automobile. A special thanks goes out to all of our visiting agencies and crime prevention partners who participated in our Night Out Against Crime.

This year the Skate Park was at capacity with boarders of all ages showing off their talents in the Skateboard Competition. What a great group of kids!! From the initial comments from the crowd, we could say this was definitely another successful event.

The City wishes to thank the residents who donated food items to the Snohomish Food Bank. Your generosity was amazing. Detective Gandee did an outstanding job this year in her coordination of volunteers and sponsors. Those who donated their time and/or goods and services are also deserving of our appreciation. Thank you.

FINAL Outdoor Movie of the Summer

On Wednesday, August 12th, the final movie of the summer outdoor movie series will feature "Back to the Future." A favorite for all ages, this movie features Michael J. Fox as Marty McFly who is sent back to 1955 where he accidentally prevents his parents from meeting, putting his own existence at stake.

The movies are FREE and begin at dusk around 9:00 p.m. at Hill Park, 1610 Park Avenue. Come early and picnic at the lake, and enjoy the park. Be sure to bring your blanket or low back chairs and stake out your favorite spot in the grass. Please remember that no alcohol is allowed at the park.

Thank you to Best Buy of Everett for sponsoring this movie.
