

# City Manager's Friday Newsletter

## ***Puget Sound Blood Center Thanks City Employees for Blood Drive***

Thank you City of Snohomish blood donors – together saving lives! On Wednesday, December 28, 2011, there were 17 volunteer blood donors registered, 15 pints of blood collected, and 4 first time donors. This was an amazing turnout! A huge thank you to all the donors for sharing your good health. Because 1 pint of blood can save up to 3 lives, approximately 45 patients will benefit from the donations at this blood drive. Thank you to all the donors for taking time out of your day to help those in need. We appreciate you!

Thank you Genevieve Geddis for your tremendous support with organizing the blood drive here. Your dedication to our blood program is greatly appreciated. Your efforts and support will help so many patients throughout Western Washington in need. Thank you City of Snohomish for your support and for allowing the Puget Sound Blood Center to come out to use your facilities and for providing a convenient place for donors to give the gift of life. We couldn't do it without you!

The Puget Sound Blood Center relies solely on volunteer donations to meet the needs of patient's in Western Washington. Over 900 donors each weekday are needed to meet the demand. Approximately 50% of this supply is due to donations made at mobile campaigns throughout the community. The support from all of you makes this happen!

**We look forward to having another blood drive with you!**

Thank you and Happy Holidays,

Gayle Richards  
Donor Resources Representative
